# stools.

**Find the perfect solution for active seating with our range of office stocked stools.**

If you're looking to move around more at work, then an office stool is the solution. They're smaller in profile, so they make a practical addition to a working environment and are ideal for those who have limited space.

# Eze active stool

Complete your ergonomic office space with a height-adjustable active learning stool.

The non-slip sturdy base remains flat on the ground during use, and the handle under the seat makes it easy to adjust. Lean against your stool for support and comfort as you stand throughout your workday.

- Key Features:**
- Dynamic range of movement.
  - 360-degree tilt, rotate and pivot.
  - Air-lift piston mechanism.
  - Quick seat-height adjustment.
  - Non-slip weighted base.

### Eze active stool

Adjustable height active wobble stool

|              |                    |
|--------------|--------------------|
| Upholstery   | Black fabric       |
| Frame Finish | Black and polished |

# Eze wobble stool

The ergonomic stool creates a dynamic, healthier, and innovative way of sitting.

A built-in gas spring allows you to stand up with little effort. The stool accommodates various heights while reducing fatigue and strain on legs while using a standing desk. With a tip-free base, the wobble stool offers the user a solid yet movable seat, guaranteed to provide you with the most modern and comfortable seat.

- Key Features:**
- Fabric upholstered seat.
  - Relieves sedentary pressure for optimum comfort.
  - Air-lift piston mechanism: for quick seat-height adjustment.
